

**BEAUTY HAS A WAY
OF CHANGING THINGS.**

HELP US CHANGE HAITI.

The Apparent Project artisans use discarded materials such as cereal and cracker boxes to create beautiful “upcycled” pieces of jewelry. While redeeming the Haitian landscape, these artisans are also bringing new hope to their families, employing themselves for a brighter future and earning the means to pay for their children's food, shelter, and education. That means less orphans, less crime, less garbage, less stress, and a whole lot more beauty. Visit us online to see how you can help or how you can own a piece of Apparent jewelry for yourself.
